CALL 911 IF THE FOLLOWING OCCUR /PERSIST AFTER IMPLEMENTING INTERVENTIONS AS STATED ON THIS ASTHMA HEALTH PLAN

Instructions for Staff:

- Have student stop whatever they are doing
- Send the student to the clinic when experiencing respiratory difficulty as described above

If student has been given permission to self-medicate with their inhaler, allow student to use inhaler according to the following directions:

Directions for self-medication:

____ (initial if applicable). Signatures of the parent/guardian and the physician(see reverse side) indicate that both agree the above named student has been instructed on proper use of his/her inhaler and is capable of assuming responsibility for using this medication at his/her discretion. Irresponsible or inappropriate use of the inhaler and/or failure to follow the Health Care Plan by the student will require a reassessment of the permission to self medicate.

Field Trips:

- Medications and peak flow meter MUST accompany student on all field trips.
- A copy of this Health Care Plan and current phone numbers MUST be with staff member
- Teacher Must be instructed on correct use of asthma medications

(Emergency contact information and Peak Flow Meter Guidelines on reverse side)
